Featured Success Stories

Recent Success Stories

On October 4, 2026, Flock LPR technology was used to assist investigators in identifying a possible vehicle used by the suspect of an active drug investigation to transport cocaine to Johnson City from another state. A traffic stop was conducted on the vehicle and approximately one pound of cocaine was recovered. Two suspects transporting the illegal drugs were arrested.

On October 1, 2026, Flock LPR technology was used to help identify the travel of a suspect importing illegal drugs to Johnson City. The suspect fled from officers during an attempted traffic stop upon returning to Johnson City and was ultimately arrested on a felony evading charge.
